

Delivery of archival materials to the Inland Children's Chorus Collection. Left to Right ~ Jerry and Janice Alred, Toni Vanden Bos (Archivist and collection curator), and Lisa Rickey (Archivist for Digital Initiatives)

Jerry Alred and Toni Vanden Bos examine records donated to the Inland Children's Chorus Collection at Wright State University in Dayton, Ohio.

Each archival record jacket includes a filename of the transferred audio file in the upper right corner. The orange slip contains grades (A, A-, B+, etc.) assigned by Bill Howe who performed the digital transfer.

The boxes contain 60 records produced from 1940 to 1966 preserved in archival inner sleeves and outer jackets.

Lisa Rickey (center), WSU Archivist for Digital Initiatives, receives a USB flash drive with the total digital transfers of the Inland Children's Chorus records (over 400 WAV files — 12.6 gigabytes).
