### 32 Sing Total of 200 Years

## Chorus to Graduate Its Largest Number

A total of 200 years of singing with the Inland Children's Chorus will be concluded on May 17 when 32 graduates lift their voices one final time at the annual Spring Festival.

General Manager L. C. Wolcott will present graduation certificates to 21 girls and 11 boys during the intermission at Memorial Hall. It is the largest number of chorus members to be graduated at any one time during the chorus' 30-year history. The ceremony will climax many years of dedication.

Among the graduates are two sets of twins, Peg and Pat Brun, 15-year-old daughters of Mr. and Mrs. Jerome H. Brun, five-year Chorus members, and Jane and Joan Boston, 16-year-old daughters of Mr. and Mrs. John Boston, seven-year Chorus members. The twins are sophomores at St. Joseph Commercial High School.

Eleven of the graduates have eight years of Chorus membership; four have seven and five have six.
