

THE INLANDER CHRISTMAS EDITION, DECEMBER, 1957

At Christmastime

IT is remarkable when we consider how all of us have accepted the changes that have taken place in our lives in the last thirty years. We used to approach the holiday season with our thoughts on the religious significance of the day we were celebrating and concern for our own families, our friends and those not as fortunate as we were.

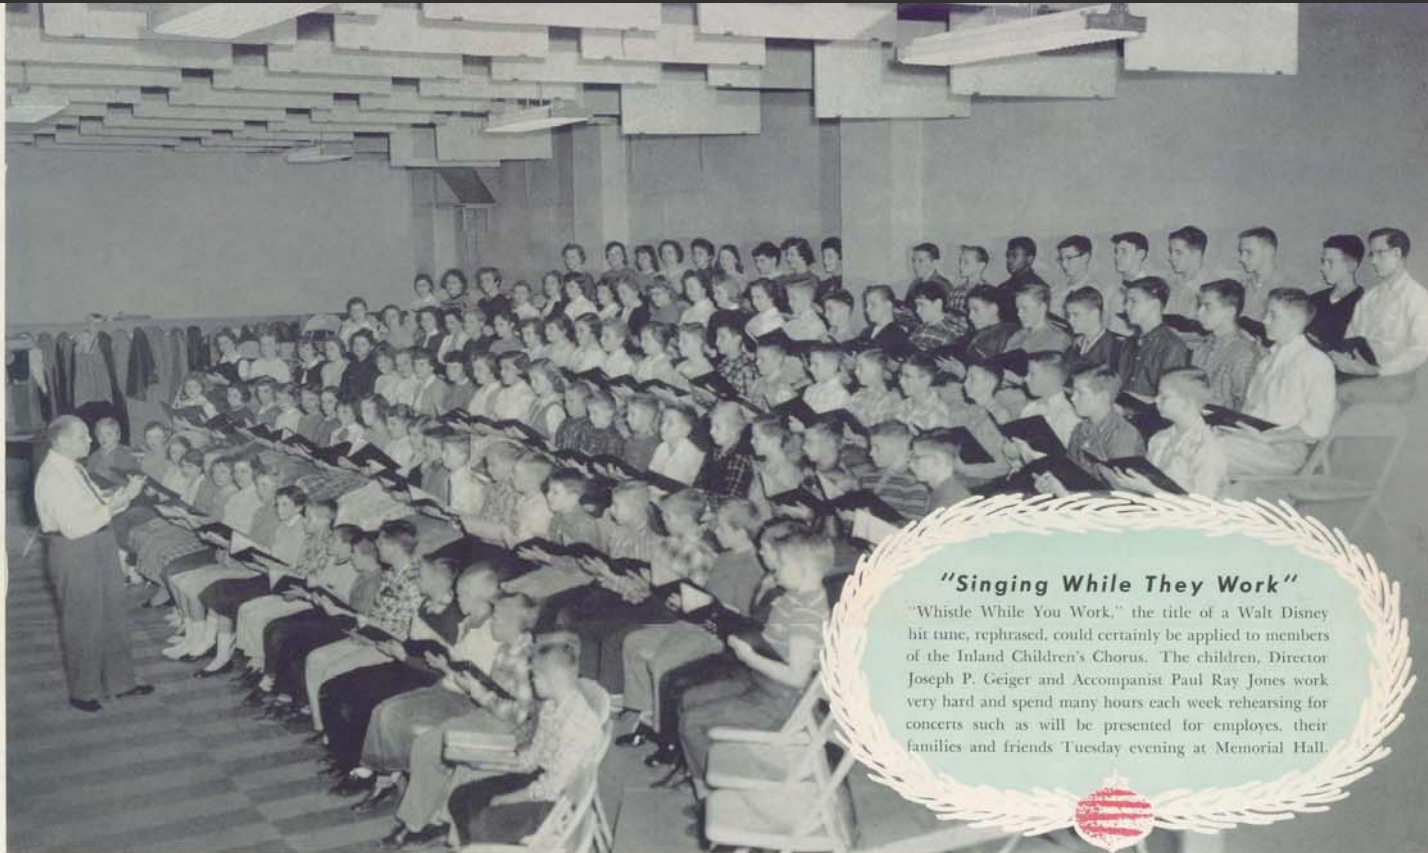

Today, whether we recognize it or not, events taking place in the remote corners of the world, government crises in areas we are not acquainted with, changes in economic policies, all are being presented to us as crises that may affect us as individuals or our families.

We, who have enjoyed the fruits of the system established by our forefathers that has distributed more of the wealth produced by effort than any other system in the world, must realize that with the change in communication and transportation that has taken place we cannot continue a standard of living so much better than the rest of the world. All types of ideology and governments are trying to devise a system that will improve the standard of living of their people by the distribution of the benefits produced by individuals to a greater number of people. Our standard of living is the envy of the world and the goal of all other systems. We must be careful not to be misled by critics of our system.

As we approach Christmas we should be thankful that our type of government is based on the recognition of God and the individual rights of each of us to follow the religion of our choice and the recognition that the rights of each of us as individuals are assured by our government. We have much to be thankful for this Christmas.

May God bless you and may you enjoy the Christmas holiday with your families!

"Singing While They Work"

"Whistle While You Work," the title of a Walt Disney hit tune, rephrased, could certainly be applied to members of the Inland Children's Chorus. The children, Director Joseph P. Geiger and Accompanist Paul Ray Jones work very hard and spend many hours each week rehearsing for concerts such as will be presented for employes, their families and friends Tuesday evening at Memorial Hall.

You're Invited . . .

to the Inland Children's Chorus' 22nd annual Christmas Concert for employes, their families and friends Tuesday evening, December 17th at Memorial Hall. Starting at 7:30 p.m., the children, attired

in their Eton suits and Alice Blue gowns, will present a two-part program, arranged to bring forth in song the beauty of Christmas. General Manager, J. D. O'Brien will speak during a 15 minute intermission. Admission is free but will be by ticket only. Tickets may be obtained at Personnel Activities, at the Medical Depts. in Bldgs. 25 and 50 and in the lobby of the Main office Building.

These children will sing Tuesday evening . . .

Seasons' Greetings and the Best of Wishes from INLAND for a Prosperous 1958

ALL ABOARD—Patrolman Don Bollechino checks Chorus members as they board Greyhound bus that will carry them to LeSourdsville.

THE CHORUS HAD A PICNIC

One hundred and fifty youngsters cast aside their Eton suits and bow ties, their Alice Blue gowns and dainty hair ribbons, at least for one day, Thursday, July 11.

The Inland Children's Chorus was at play, holding their annual picnic at LeSourdsville.

Three chartered buses carried the youngsters to the amusement park and from their arrival at 10 a.m. until departure at 4 p.m. they set a pace that is only for boys and girls, 8 to 16 years of age.

There were two hours of games followed by lunch in the Park Dining Room. Then the 150 children had the "run" of the Midway with its thrilling rides, miniature golf, motor boats and other attractions.

Refreshments were welcome at 3:15 p.m., as the pace slowed, and by 4 p.m. even this energetic group was ready for the trip home.
