Inland Children's Chorus members were guests at a concert by Paul Robeson with the Linden Center Choir, a group that was later sponsored by Inland Manufacturing Division of the General Motors Corporation.

Linden Center Choir received many favorable comments for its splendid performances at the Paul Robeson Concert held at Memorial Hall on January 29th. Mr. Robeson took the leading role in "Ballad for Americans," with the choir furnishing the background in chorus parts. "It was a pleasure and privilege to work with such a fine group," said Mr. Robeson. This was a real treat for the choir, because Mr. Robeson has traveled extensively in this country and abroad. Mr. Charles Higgins, director of the choir, was applauded and praised to the highest for his fine interpretation of "Ballad for Americans." Since this performance the choir has appeared before several large industrial groups and business organizations, including the Rotary Club, Junior Chamber of Commerce, and participated in several radio broadcasts.
